**日期：2017年4月21日**

**时间：星期五 15:30-17:00**

**地点：教学中心202室**

In this seminar Dr. Claudia will guide you through the publishing process from manuscript preparation to publication, providing you with useful information and tips on effective presentation of your research, complying with Elsevier's publication ethics guidelines, how to manage the peer review process, and the benefits of open access. She will also introduce you to *Heliyon*, the scientific journal that publishes quality research across all disciplines and provides editorial excellence, fast publication, and high visibility for all published papers.
